RE: Athletes Recommendation Request

Dear Sir or Madam,

I hope this email finds you with good health and spirit. It is with great pleasure for me to announce the new recruitment of students for the second year of iSR Academy, commenced from 12th September 2016.

With the support of ANOC, the iSR Academy launched for the purpose of help athletes to have better future. During the past months, the program and students have gathered attentions from the international sports and it is successfully moving towards the last stage. There is no doubt that your encouragement and contribution has been of essential value.

As it opens great opportunities for top elite athletes in the world again, I would like to ask for your help to recommend athletes from your home or any other athletes you want to help with to join our iSR Academy.

Please find the iSR Academy (2016-2017) introduction in the attachment for detailed information. It would be great if you could send me the personal detail (name, sports, contact number, email) of the recommended person either to me or our academy mail (academy@i-sr.org), we will proceed with the candidature by contacting the person.

I would appreciate your interest and engagement in the Academy and deeply hope many athletes around us will seize the opportunity to grow and build their vision for the future.

Thank you.

Yours sincerely,

Daesung Moon
