Cancellation of the ISMF World Cup & European Championship in Madonna di Campiglio (Italy)

Dear Sirs

Following the Decree DPCM of 9th March 2020 regarding the Coronavirus COVID-19 control policy by the Italian Government, the ISMF cancels the ISMF World Cup & European Championship scheduled from 2nd to 5th April 2020 in Madonna di Campiglio.

This decision has been taken in full coordination with the Local Organising Committee and in accordance with the Federazione Italiana Sport Invernali (FISI), as stated on Monday by its President Roda on their official social media channel.

Although we regret this outcome, we fully understand and accept the important measures taken by the Italian Government in order to protect the athletes and all people involved in the event.

The medias will be informed in parallel to this letter.

Yours sincerely

Thomas Kähr
President
