## APPENDIX I: TRAVEL INFORMATION

Last update information as per 18 February 2021, please check the websites (links below).

### Coronavirus ordinances in Switzerland

The two ordinances that are important for you when travelling to Switzerland are:

[Ordinance 3 on Measures to Combat the Coronavirus \(COVID-19\) 818.101.24](#)

[The Ordinance on Measures to Combat the Coronavirus \(COVID-19\) in International Passenger Transport 818.101.27](#)

### Register your contact details

Everyone traveling from abroad [must register their contact details online](#).

Exceptions are only possible for people living in regions close to the Swiss boarder or from countries/regions that do not have an increased risk of infection if travelling by car (if travelling by plane, bus, train or boat, you must register yourself).

### Countries outside of the Schengen area

All participants from countries outside the Schengen area must check if you are one of the countries with an exception. Kindly refer to the [list in Annex 1](#) of the [Ordinance 3 on Measures to Combat the Coronavirus \(COVID-19\) 818.101.24](#), article 3, point 2.

If not, as per article 4, point 2 of the same ordinance, please contact the Swiss embassy in your country to check what you have to do.

In case of **special necessity**, it is possible to enter Switzerland despite the entry ban. Persons who require a visa must apply for one at the Swiss foreign representation where they live, explaining why they are a case of special necessity.

Exceptions are possible for: Entry by professional sportsmen and women and their coaches, etc., in order to participate in competitions or for training camps.

All this information could be found on the website of the State Secretariat for Migration SEM here:

[Corona: Questions and answers on entry and stay in Switzerland, the exceptions and suspension of visas](#)

### Testing and quarantine for persons arriving from countries and regions with increased risk of infection

Countries and regions with increased risk of infection: [Please check this list of countries](#)

When arriving from risk countries and/or arriving by plane, a molecular-biological test for Sars-CoV-2 done in the previous 72 hours with a negative result must be mandatory.

Details here: [Section 4 Testing, Quarantine, and Notification Requirements for Persons entering Switzerland](#)

### Exemption from testing and quarantine

[The Ordinance on Measures to Combat the Coronavirus in International Passenger Transport 818.101.27](#)

allows under [Art. 8, section \(C\) an exception from the requirement to be tested and to quarantine](#) for persons who for **compelling professional** reasons enter Switzerland and whose visit **cannot be postponed**.

The same Art. 8, section (G) states the exemption for participating to a sporting competition.

This applies to all athletes, coaches and medical personnel for the period of their stay for the participation in the IFSC Climbing World Cup in Meiringen.
