FURTHER INFORMATION REGARDING COVID-19 MEASURES:

Technical Meeting:

There will be an **Online Technical Meeting** on **Tuesday, 1st of June 4 pm (CET)** primarily to discuss the Covid-19 regulations. The meeting link will be sent to you via Mail.

Prevention Measures & Procedure on site:

- Wear FFP-2 mask at all times – exception: during climbing
- Keep 2-meter distance
- Bring a negative Covid-Test certificate
- Stick to the detailed Covid-Measures which will be sent to you after the registration deadline
- Bring the signed Covid-Documents which will be sent to you after the registration deadline
- The competition is going to be without spectators. Further regulations (warm-up procedure, watching the competition as an athlete,...) need to be evaluated at a later point.

Necessary medical certificate of a negative Sars-Cov-2 Test:

All athletes, coaches, officials and staff are required to have a valid, negative Sars-Cov-2-Test result at all times during the event. PCR or official rapid tests are allowed, NO self-tests! Rapid-Antigen Tests have a validity of 48 hours and PCR Tests have a validity of 72 hours.

Your test certificates will be checked right before entering the warm-up area at the check-in desk. Your test needs to be renewed after it expires so it is valid throughout the event. You are responsible for getting a test on your own.

Being vaccinated or recovered from Covid-19 does not replace the negative test! It will make traveling easier for you if you are vaccinated, however, it is still necessary to bring a negative test certificate for the event!
