7. COMPETITION DETAILS

- Sport Classes: Classes with at least 3 athletes will be held separately; otherwise, merging rules apply.
- Anti-Doping: All licensed athletes are subject to international and national regulations.
- Classification:
 - **Physical Impairment:** If a valid classification by a World Climbing classifier is available, the sport class assigned therein will be applied. Athletes with physical disabilities who have not yet been classified can be classified on-site. Athletes will be assigned a classification time slot after registration. Appointments can only be changed in exceptional cases. Classification is conducted based on the current World Climbing Rules. Medical documentation required for on-site classification must be submitted by 31. July.
[Link for the Medical documents.](#)
 - **Visual Impairment:** For athletes with visual impairment who do not have an international classification: No classification will be conducted. Please submit a medical report (ophthalmologist's certificate) including various parameters and classification into sports classes B1/B2/B3, or a sports class classification from another sport to [Czech Climbing \(paralezeni@horosvaz.cz\)](mailto:paralezeni@horosvaz.cz) once you register online; this classification will be adopted. Medical documentation required for on-site classification must be submitted by 31. July.
